"Look To The Light"

[New Year's Special \(January 1, 2017\) - #4555 Music & the Spoken Word](#)
thetabernaclechoir.org

There's no reason to doubt that the year ahead can be the best ever. Indeed, when a positive spirit ignites realistic goals, the resulting flame can fuel our efforts to accomplish great things.

None of us knows exactly what is coming, but it's safe to assume that the year ahead, like other years, will have it's ups and downs. There will be moments of happiness and joy, along with moments of heartache and worry.

Where can we find the courage and perspective to carry on throughout it all?

We can be determined to follow the Sun, to focus our best efforts on those things of greatest worth. In this way, even if something about our circumstances seems to put us at a disadvantage, even if conditions seem hostile, we can have sunshine in our soul – today and every day if we only look to the Light.

Judy Note: Today Sun. 1 May the Global Currency Reset was now official around the world, while the old financial system was bankrupt, Central Banks were shutting down, along with Congress, the White House, IRS and Federal Reserve.

Watch the Water: China's Three Gorges Dam was about to break; the Stock Market was in free fall; announcement of Queen Elizabeth's death was imminent; evidence discovered on Hunter Biden's computer indicated Joe Biden had committed Treasonous Acts against US citizens and his resignation was neigh.

As the US Military proved through counting of official watermarked ballots in the 2020 Election, duly elected US President Donald Trump was about to call Check Mate.

Have your food storage ready. Grab your popcorn. The fun begins **Monday 2 May**.

A. Historical Perspective of the GCR:

- **On Fri. 22 April at 6:00 am EST they launched Funds for the Global Currency Reset** according to Dr. Charlie Ward, head of the Global Currency Reset Redemption Committee.
- **At midnight Tues. 26 April 2022** the United Nations lost control over all sovereign nations, which then began switching their currencies from the World Bank bankrupt SWIFT system to a gold/asset-backed CIPS system.
- **The last two countries to join the Global Currency Reset – Iraq and Venezuela – have finally** signed and delivered their ISO 20022 paperwork.
- **Sovereign Nations new currency rates** have begun trading on the back screens.
- **This coming weekend Tier 3 Bond Holders** (10% of monies), Intermediaries, Prosperity Packages, CMKX, Fines and Penalties, Adjudicated Settlements, Farm Claim Payouts were expecting to be paid out according to Bruce.
- **On Sat. 30 April Sovereign Gold Bonds** went online. (It's interesting to note that on **30 April 1945** exactly 77 years ago, Germany was liberated from the Nazis by the Russians, However, with Operation Paperclip, the Nazis escaped to the US and all over the world). This time there is no escape – History will not repeat itself.
- **We expect Tier 4B** (us, the Internet Group who hold Zim Bonds and 210 nation's foreign currencies to be revalued) to be notified on **Tues. 3 May** to start appointments on **Wed. 4 May**, or could be notified **late morning Wed. 4 May** to start appointments on that **Wed, or start on Thurs. 5 May**, according to Bruce.

B. Fri. 29 April Fleming:

- **Twenty Three countries** were participating in the Global Currency Reset.
- **Afghanistan** will not be participating for now.
- **Credit Card companies for the banks were having multiple problems** because of a Crypto Currency Scam across the globe. 90% of Crypto Currencies being sold were not asset-backed and thus were no good.
- **If you feel you have been a victim** scammed by a Crypto Currency purchase you can complain to the Internet Crime Complaint Center (IC3.gov.)
- Central Banks say the value of Dong: was a little over \$3; Dinar: \$3.22; Bolivar \$3-\$5.

C. Thurs. 28 April 2022 The Big Call, Bruce: [Thebigcall.net](https://www.thebigcall.net) 667-770-1866 pin123456# Judy Note: The below is my interpretation of what Bruce reported about Zim Redemption:

- **If you have a specific Humanitarian Project** you are funding your Zim would redeem at a 1:1 to the US Dollar.
- **If you don't have a specific Humanitarian Project** to fund you will be given the Zim default rate.
- **Your Zim redemption amount will be put in a digital Mother Lode Account** in the QFS that only you had access to.
- **If you have a large amount of monies from the Zim Default rate** it may be placed on a long term payout. You would earn interest on the monies left in your account during that long term payout. You would work out your interest rate with the bank.
- **If you have a specific Humanitarian Project you will NOT have a long term payout.** Instead, 10% of your Zim redemption amount will be taken out of your Mother Lode Account and put in a working account in a bank of your choice.
- **You determine with the bank of your choice the interest rate** you would receive on that 10% of your Zim redemption that has been transferred to your working account. That rate could be anywhere from 6 ½% to 10%.
- **Your Humanitarian Project would be funded out of the interest** you receive out of your working account.
- **If you have a Humanitarian Project 10% of the interest** you receive out of that working account would be designated for your personal use.

D. Global Financial Crisis:

- **Nasdaq 100 Falls 13% in April, Biggest Monthly Drop Since 2008: (Judy Note: and what else happened in 2008? The so-called "Mortgage Crisis" when the Cabal went bankrupt and BRICS formed to do a Global Currency Reset)**
https://twitter.com/investingcom/status/1520134365082181634?s=28&t=A2f-muA1e16a-v8_r0uEEg

- **Crypto Currencies** backed by gold/metal were the new currencies available under GESARA.
- **Sovereign Gold Bonds** just went online.
- **Central Banks are shutting down** — bankrupted. Old financial systems bankrupted. Congress, White House, IRS, Feds, Federal Reserve are shut down — U.S. Corporation is bankrupted.
- **Gold-backed currency**, digital assets, QFS, Nesara/ Gesara is growing.

G. Russia Ukraine War:

- **Trump Jr calls Ukraine ‘one of the most corrupt countries on Earth’ and says US shouldn’t give it money:** <https://www.independent.co.uk/news/world/americas/us-politics/trump-jr-ukraine-corrupt-comments-b2068199.html>

Pentagon advisor Col. Doug Macgregor on Russia-Ukraine WAR

- **The issue for the Russians** from the very beginning has been, ‘How do we proceed without killing large numbers of civilians and inflicting a lot of property damage?’ And Putin gave very strict orders from the outset that they were to avoid these things. The problem with avoiding it is that it has slowed the progress of the operation to the point where it has given false hope both to the Ukrainians.
- **I think has been seized on by people in the West** to try and convince the world that a defeat is in progress when, in fact, the opposite is the case.
- **So, the war itself at this stage of the game could be decided very, very rapidly—** permanently if Putin were to give the order and allow the forces to disregard the concern for civilians and property damage. But he hasn’t done that. He has continued to

negotiate even though he recognizes that the people sitting across from him really are not in a position to deliver very much. They're being told what to do.

- **It's very obvious that Washington** wants this to continue as long as possible in the hopes that Russia will be desperately harmed. I just don't see that happening.
- **70 percent of the Russian population** is firmly behind Vladimir Putin. That's a very large percentage in any conflict, for any president to enjoy.
- **Ukrainian forces** are still active are entirely surrounded, cut off and isolated in various towns and cities. The Ukrainian forces are incapable of anything but an occasional pinprick attack on something that doesn't appear to be very robust or dangerous. So, the war, for all intents and purposes, has been decided
- **Lots of White Hats** in Behind the Scenes Operations.
- **Putin was going to be assassinated** by the Davos/ Rockefeller/ CIA Deep State Operations for betraying them.
- **The plot to destroy Putin and takeover the Russian country** was the plan of the New World Order. Fortunately the White Hats in the EU, US and Russia all stepped in and started Mass Arrests through EU, Intel agencies and Russian Military Black Hat leaders.
- **Putin decided to kill three birds with one stone** (Biolabs, Coup Assassination, bring down the Central Banking System) by going into Ukraine.
- **Col. Doug Macgregor:** 'The biggest lie I've heard repeated on television is, 'Russian troops have been told to deliberately murder civilians, Ukrainian civilians.' It's absurd. It's nonsense. Nothing could be further from the truth.

L. Sat. 30 April #1 The Plan, Whiplash347:

- When do you hit a dam? When the moon is at it's darkest: Black Moon Celestial Event **Sat. 30 April.**
- Then **May Day, May Day, May Day.**
- There is just too much between today **Sat. April 30 and Mon. May 9.**
- Trump Rally - **Friday 55 Tweet?** Incoming Attack?
- (**Note:** Trump changed his rally from **Sat. 30 April to Sun. 1 May** due to bad weather)
- **Saturday 30 April** Black Moon
- **Sunday 1 May Day** - 55 Tweet? Incoming Attack
- **Monday 2 May** Crash
- **Tues. 3 May** the **4RCE** Be With You
- **Fri. 6 May:** wanted it finished.
- **Mon. 9 May** Defeat Over the Nazis in WW2.

M. Sat. 30 April, #2 The Plan, Whiplash347:

- **Disinformation is Necessary...Q**
- **When White Hats Activate** triple agents, turncoats, moles, sleepers seemingly Black Hat operators – Anons, Patriots go into confusion. Anons/Patriots fight among themselves when a seemingly Black Hat/ Grey Hat comes into the light and there no immediate confirmation. This confusion of who is a Black Hat, or White Hat will continue and the elevated anticipation will bring more tension among the Patriots. Everything had to be this way to keep hidden identities of infiltrated White Hat Sleepers inside world corporations including inside the Central Banking System.
- **There is a huge War** inside the Pentagon and inside the Central Banking System. Not everything is at it seems.
- **White Hats** have taken control of the Central Banking Digital currencies backed by gold. The Central World Banking System owned by the Cabal was infiltrated.
- **One of the Rothschilds was flipped** and created a Chaos Scare Event inside the Central Banking infrastructure. This tactic broke the system into divisions, which created an idea to create a new system using Starlink.
- **Starlink is much more than Internet** – it's a Military Particle Beam Weapon – the power to control the World Grid and it's connected to the new Quantum Financial System GESARA/NESARA.
- **GESARA/NESARA** is being implemented through the world in different countries and different ways, not just in China's and Russia's new system.
- **This GESARA/NESARA** implementation will all connect once Events are triggered in the End Game.
- **There is a difference between the old World Central Banking System and the new Digital Central Banking System.** There is a reason why Musk has invested billions into Starlink that will connect world currency and run world banks together on Starlink.

- **Everything you think you know** about the Central Banking System will change.
- **In the old Central Bank System** the same people are not in charge, many are quitting and a war is happening behind the scene. You will know the truth when you see the new system is backed by gold.
- **There was a reason banks across the world were closing.** Many Crypto-currency banks will not register with the new Q system in the CBDC. White Hats were in control.
- **Everything we have been expecting of the RV/GESARA/NESARA to take down the old system has happened, but not like we thought.**
- **Infiltration was the key.** There are so many moves behind the scenes – a well placed Plan.
- **If you are an investor trust only Crypto-currency that is backed by gold.** This gold is connected to the QFS.
- **Starlink has everything now.**
- **A crash is still coming.**
- **Many companies/ orgs across the world** which did not register to the Gold Backed System will go under.
- **Trump being banned from Twitter** created a ripple affect – from investments in markets, to Patriots getting angry at the Mainstream Media: Jack Dorsey steps down. The Ukraine War bankrupting the Deep State. Musk acquiring Twitter.
- **Behind the Scenes** Trump Social Media, Twitter, Trump Jr., MSM and other platforms merging into new Truth Platforms Movement.
- **From what I hear Trump, Musk and even Dorsey are in on the Starlink System QFS that will connect everything.** Was Dorsey a White Hat? Why is he Musk's best friend for over a decade?
- **The Storm:** Not everything is clean. Godfather, The Takeover PLAN

O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

Q. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right

next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
